

Corrigendum

Dear Editor-in-Chief of the Journal of Research and Curriculum Development

I am writing regarding our manuscript titled “Inter-rater Reliability of a Clinical Practice Assessment Rubric for Physical Therapy Students: Mahidol University”, which has been accepted and published in Vol. 14, No. 2, July - December 2024.

We have noticed an error in the ethical approval code and would like to request a correction. The details of the modification are as follows:

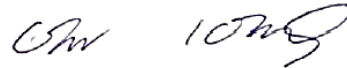

Location: Under the "Research methodology" section, Page 2, Paragraph 2.

Original Text: "...the researcher obtained ethical approval from the Mahidol University Human Research Ethics Committee, with the project code MU-CIRB 2023/265.2408."

Corrected Text: "...the researcher obtained ethical approval from the Mahidol University Human Research Ethics Committee, with the project code MU-CIRB 2023/151.0510."

We sincerely apologize for any inconvenience this oversight may cause and deeply appreciate your assistance in making this necessary correction. Thank you very much for your time and kind consideration.

Sincerely yours,
